FYI, OGAP has delivered what we consider the final memos for next week's engagements to our FO today at 1:15 pm. I've marked it as done on our ELMS flow board.

Here are the two documents that we are to send up for the book today. The lunch memo with the talkers and then a background on UNGA for situational awareness since AAW will be meeting with people attending various UNGA meetings.

I just talked to Aaron and he said he didn't receive anything on the Harvard Club lunch/remarks from OITA yesterday for the binder. Your folks said they were sending it up. Can you investigate? Either way Aaron needs it by 2pm today for the binder and the trip. Thanks.

I'm checking to see if AW handed any edits to anyone else. I haven't received anything from him yet.

OK. Do you mind touching base with Chris to see if he got any feedback from AAW?

Got it. Just Jane joining now. Chad has 3 WH meetings early next week that he can't get out of.

It went up yesterday so AAW could review the OPA revised remarks. We are waiting to hear back from Chris if the Administrator has edits.

On a separate note, Jane and Chad will have seats at the table so they can enjoy lunch as well.
